Product description

Why choose this clear screen protector?

Cirafon Ultra-clear (Double Tempered) + Tool from Cirafon protects your iPhone 14 Plus display from everyday scratches and light impacts while keeping touch sensitivity and screen clarity intact. The double-tempered glass and 9H surface hardness give reliable protection, and the included installation tray and cleaning kit make fitting and upkeep straightforward.

Ultra-clear (Double Tempered) + Tool in short:

- Made for iPhone 14 Plus, compatible with Apple devices.
- Double-tempered glass with 9H hardness for scratch and impact resistance.
- Clear, high-transparency surface maintains display clarity and touch responsiveness.
- Installation tray and tool kit plus wet and dry wipes and a cleaning cloth simplify bubble-free application.
- Supplied as a single, boxed unit for easy storage and distribution.

Main features and use

Cirafon Ultra-clear (Double Tempered) + Tool shields your screen from scratches and everyday wear while preserving the look and feel of the original display. The product includes an installation tray and a complete cleaning kit, so you can apply the tempered glass accurately and remove any dust before fitting. The protector is easy to apply, easy to remove, and easy to clean, and its anti-smudge surface helps keep the screen clear during regular use.
