Product description

Why choose this screen protector?

Cirafon Screenprotector Ultra-Wide provides reliable tempered glass protection for your iPhone 14 Pro while preserving screen clarity and touch responsiveness. It reduces everyday scratches and impacts and resists fingerprints thanks to an anti-smudge coating. The included installation tray and cleaning kit make alignment and application quick and precise.

Screenprotector Ultra-Wide in short:

- Tempered glass with 9H hardness for scratch and impact resistance, suitable for everyday use and mobile work.
- Clear design that preserves display visibility and high touch sensitivity for accurate control.
- Anti-smudge surface helps keep the screen free of fingerprints between cleanings.
- Comes with installation tray, wet and dry wipes, and a cleaning cloth for dust-free, accurate placement.
- One-piece boxed pack, ready to install on iPhone 14 Pro.

Screenprotector Ultra-Wide

This tempered glass protector shields the iPhone 14 Pro display from scratches and knocks while keeping touch performance and screen clarity intact. The anti-smudge coating reduces visible fingerprints and the cleaning kit helps you prepare the surface before application. The installation tray simplifies alignment, so you can apply the protector precisely and remove or clean it as needed.
