Product description

Why choose this screen protector?

Cirafon Ultra-clear (Double Tempered) is a clear tempered glass screen protector for the iPhone 14 Pro Max that shields your display from scratches and everyday impacts. It preserves screen clarity and touch responsiveness while reducing fingerprints. The included installation tray and cleaning kit make fitting straightforward, and the protector is easy to remove and clean when needed.

Ultra-clear (Double Tempered) in short:

- Tempered glass with 9H hardness for reliable scratch resistance and impact protection.
- Designed for iPhone 14 Pro Max, maintains display clarity and touch accuracy.
- Includes installation tray and a full cleaning kit, with wet and dry wipes plus a cleaning cloth for precise, bubble-free application.
- Anti-smudge coating reduces fingerprints, and the protector is easy to apply and remove.
- Single protector per boxed pack, Cirafon brand, made in China.

Product details

The Cirafon Ultra-clear (Double Tempered) protector is a single-piece tempered glass accessory that pairs a hard 9H surface with an anti-fingerprint finish. The installation tray helps you align the protector accurately during application, while the cleaning kit ensures the screen is dust-free beforehand. The glass keeps image clarity and touch sensitivity intact and is simple to maintain over its service life.
