Product description

Why choose this USB flash drive?

Flip Duo Tranzip is a compact swivel USB flash drive that makes cross-device file transfer simple and reliable. Dual USB-A and USB-C connectors and USB 3.2 Gen 1 performance cut transfer time for presentations, media and backups. The stainless steel swivel and slim black body provide everyday durability and easy portability between laptops, tablets and phones.

Flip Duo in short:

- Dual USB-A and USB-C connectors for direct transfers between older PCs and newer laptops or mobile devices.
- 64GB capacity suited for presentations, project files and photo libraries.
- USB 3.2 Gen 1 performance, with up to 100MB/s read and 40MB/s write speeds, for faster file moves and quick backups.
- Swivel stainless steel cover protects connectors while keeping the drive compact and pocketable.
- Contains 1pc, check that your mobile device supports USB OTG for direct phone connections.

Flip Duo details

Flip Duo from Tranzip provides straightforward storage and easy sharing on the go. The swivel form protects the connectors and lets you switch between ports without caps to lose. With 64GB capacity and practical transfer speeds, it is useful for moving documents, images and short video files quickly. The mix of black body and stainless steel finish keeps a professional look while fitting on a keyring or in a laptop bag.
