

Tranzip TR-NDF9-32

Data sheet

Core Specs

Storage Capacity	32 GB
Device interface	USB-A / USB-C
Read speed	100 MB/s
Write speed	40 MB/s
Product colour	Black, Multicolour, Stainless steel

Summary

- ✓ Dual USB-A and USB-C interface connects laptops and phones easily
- ✓ Plug and Play, no drivers required for quick use across systems
- ✓ USB 3.2 Gen1, 100MB/s read and 40MB/s write move files fast
- ✓ 32GB capacity keeps documents, presentations and media on hand
- ✓ Swivel metal cover protects connectors and keeps the drive compact

Product description

Why choose this USB flash drive?

Tranzip Flip Duo is a compact USB flash drive that simplifies moving files between laptops, tablets and phones. Its dual USB-A and USB-C connectors reduce the need for adapters. The swivel stainless steel cover protects connectors during transport. You get reliable, portable storage that is easy to use and suited for everyday file transfers and backups.

Flip Duo in short:

- Dual USB-A and USB-C connectors for direct transfers between older PCs and modern devices.
- 32GB capacity for documents, presentations and media on the go.
- USB 3.2 Gen 1 performance, with read speeds up to 100MB/s and write speeds up to 40MB/s, for quicker file copying.
- Swivel stainless steel cover keeps connectors protected and the drive pocketable.
- Plug and play, no drivers required; available in black, multicolour and stainless steel.

Flip Duo

Flip Duo is designed for straightforward, cross-device file sharing. The 32GB capacity covers routine backups and media storage, while the dual-interface design makes it simple to move files without adapters. USB 3.2 Gen 1 performance helps reduce waiting when copying photos, presentations or folders. The swivel metal cover provides durable protection and keeps the drive ready for everyday use.
