

Tranzip TR-NDF9-128

Data sheet

Core Specs

Storage Capacity	128 GB
Device interface	USB-A / USB-C
Read speed	100 MB/s
Write speed	40 MB/s
Product colour	Black, Multicolour, Stainless steel

Summary

- ✓ Dual USB-A and USB-C connectors work with legacy and modern devices
- ✓ 128GB capacity stores documents, media and project backups on the go
- ✓ USB 3.2 Gen 1 delivers up to 100MB/s read and 40MB/s write speeds
- ✓ Swivel metal cover protects connectors and keeps the drive pocketable

Product description

Why choose this flash drive?

Tranzip Flip Duo gives you a convenient way to move and store files between USB-A and USB-C devices without adapters. The swivel stainless steel cap protects both connectors and the drive delivers practical transfer speeds, so you can back up photos, transfer project files, and free up device storage with minimal fuss.

Flip Duo in short:

- Dual USB-A and USB-C connectors, so you can share files between older PCs and newer phones or laptops.
- 128GB capacity for documents, photo libraries, and project backups.
- Swivel stainless-steel cap protects connectors and includes a loop for attaching to a keyring or lanyard.
- USB 3.2 Gen 1 performance, with read speeds up to 100 MB/s and write speeds up to 40 MB/s, suitable for moving large files quickly.
- Check mobile compatibility before purchase, your phone must support USB-C OTG to access the drive directly.

How it works

Flip Duo is a plug-and-play USB flash drive that makes file transfers straightforward. You can plug the appropriate connector into a PC, laptop, or USB-C device and move files without extra software. The compact swivel design keeps both plugs protected and easy to carry, while the 128GB capacity provides room for daily backups and media collections. The product comes in black, multicolour, and stainless steel finishes.
