

USB 3.1 Type C-C Male-Male Black (60W)1.2m USB-C USB-C

Data sheet

Summary

- ✓ USB-C to USB-C cable for charging and USB 3.1 data connections, ideal for phones, tablets, and accessories.
- ✓ Supports USB Power Delivery up to 60W, suitable for most tablets and many compact laptops.
- ✓ Braided nylon jacket and reinforced strain relief for better resistance to bending and abrasion.
- ✓ Straight male-to-male connectors with compact metal housings and reversible plugs for easy connection.
- ✓ Note: the 60W power limit may not be enough for some high-power laptops, check your device requirements before purchase.

Product description

Why choose this cable?

Cirafon USB 3.1 Type C-C Male-Male Black (60W) gives you a practical way to charge and transfer data between modern USB-C devices. Its 1.2 m length and braided construction balance desk convenience and portability. Expect predictable Power Delivery up to 60W and a durable build that reduces wear from daily plugging and unplugging.

USB 3.1 Type C-C Male-Male Black (60W) in short:

- USB-C to USB-C cable for charging and USB 3.1 data connections, ideal for phones, tablets, and accessories.
- Supports USB Power Delivery up to 60W, suitable for most tablets and many compact laptops.
- Braided nylon jacket and reinforced strain relief for better resistance to bending and abrasion.
- Straight male-to-male connectors with compact metal housings and reversible plugs for easy connection.
- Note: the 60W power limit may not be enough for some high-power laptops, check your device requirements before purchase.

Product details

This Cirafon USB 3.1 Type C-C Male-Male Black (60W) cable is designed for everyday charging and data needs. The 1.2 m length fits typical desk setups and short-range charging while the braided exterior and reinforced ends help extend service life. It supports USB Power Delivery up to 60W so you can charge phones, tablets, power banks, and many smaller laptops. The straight, reversible USB-C connectors make it easy to plug in without orientation checks, and the single-piece pack is ready for immediate use.
