Product description

Why choose this USB-C cable?

Cirafon USB-C kabel (60W) gives reliable USB Power Delivery up to 60W in a 1.8 m braided design, so you get faster charging and fewer replacements. The reversible USB-C connectors and straight male ends make everyday plugging simple, while the grey finish fits neat installations and professional setups.

Cirafon USB-C kabel (60W) in short:

- Braided 1.8 m length for flexible reach and improved wear resistance.
- USB Power Delivery up to 60W, suitable for charging tablets, phones, and many mid-range laptops.
- USB-C male to USB-C male with reversible plugs for easy connection.
- Grey connector heads and visible brand marking for easy identification.
- Note: 60W maximum may not cover some high-power laptops, check your device requirements before purchase.

Product details

The Cirafon USB-C kabel (60W) is designed for charging and data transfer between USB-C devices. The braided jacket reduces tangling and abrasion, while moulded strain relief at each end helps prevent cable breakage. Use it to connect phones, tablets, power banks, and USB-C capable laptops that accept up to 60W charging.
