- ✓ Compact 12 L capacity and 670 g weight, easy to carry on daily commutes.
- ✓ Front zip pocket, top handle and padded straps for quick access and comfort.
- ✓ Consider that the slim 12 L profile is best for essentials rather than bulky loads.

Product description

Why choose this backpack?

Cirafon Laptop Backpack Recycled combines a slim, lightweight design with recycled nylon and Global Recycled Standard certification for a lower environmental footprint. It fits a 15.6 inch laptop while keeping daily essentials organised, and its padded back and straps make commuting or business travel more comfortable and reliable.

Cirafon Laptop Backpack Recycled in short:

- GRS-certified recycled nylon, for verified recycled content and traceability.
- Padded laptop compartment fits up to 15.6" devices, compartment dimensions 385 x 25 x 265 mm.
- Compact 12 L capacity and 670 g weight, easy to carry on daily commutes.
- Front zip pocket, top handle and padded straps for quick access and comfort.
- Consider that the slim 12 L profile is best for essentials rather than bulky loads.

Main features and use

The Cirafon Laptop Backpack Recycled is built for everyday work use, keeping a laptop, charger, and a few accessories neatly organised. The padded notebook compartment protects your device while the front zip pocket holds small items you need to reach quickly. The lightweight construction and padded shoulder straps reduce fatigue on short commutes. A reinforced base and top handle make handling easy, and a two year warranty gives added reassurance for business use.
