# Product description

## Why choose this USB-C cable?

Prokord CM -CM-TPE -3M USB cable USB 2.0 USB C Black gives you a long, flexible connection for USB-C devices. It is useful when you need extra reach for charging or syncing, and the TPE jacket with molded strain relief helps keep the connection stable during daily use. The cable supports USB 2.0 transfer rates for reliable basic data and power tasks.

## CM -CM-TPE -3M USB cable USB 2.0 USB C Black in short:

- 3 metre length for extended reach, useful at desks, meeting rooms, or when power outlets are distant.
- USB-C male to USB-C male connectors work with modern phones, tablets, laptops, and peripherals that use standard USB-C ports.
- USB 2.0 suitable for device charging and routine file syncs at standard USB 2.0 speeds.
- Black TPE jacket and straight connectors with visible strain relief for everyday durability and easy routing.
- Note: this cable supports USB 2.0 specifications only, not higher USB 3.x transfer rates or advanced high-watt power delivery features.

## Product details

The Prokord CM -CM-TPE -3M USB cable USB 2.0 USB C Black provides a clear, simple way to connect USB-C devices at a distance. The reversible USB-C plugs make it easy to connect without checking orientation. The TPE outer jacket keeps the cable flexible while the reinforced connector ends reduce wear where cables usually bend. Use this cable for charging, syncing, and connecting peripherals where USB 2.0 performance is sufficient.
