- ✓ Three HDMI ports (2.0/2.1) for multiple sources such as set-top boxes and game consoles.
- ✓ Consider mounting and clearance for a 65-inch screen, and confirm wall mount capacity for the T...

Product description

Why choose this 65-inch 4K LED Android TV?

VXV765UA 65" 4K LED Android TV + Chromecast Voxicon brings 3840 × 2160 resolution and HDR support to a large-screen display, making detail and contrast clearer for presentations, signage, and media playback. It combines straightforward connectivity and a familiar Android TV interface so you can deploy streaming apps and cast content with minimal setup.

VXV765UA 65" 4K LED Android TV + Chromecast in short:

- 65-inch 4K UHD screen with HDR, suited for detailed video, digital signage, and shared viewing.
- Android TV platform with built-in Chromecast, so you can run apps and cast from mobile devices.
- Wi-Fi, Ethernet, and Bluetooth for flexible network connections and wireless peripherals.
- Three HDMI ports (2.0/2.1) for multiple sources such as set-top boxes and game consoles.
- Consider mounting and clearance for a 65-inch screen, and confirm wall mount capacity for the TV weight.

Display and picture

VXV765UA delivers crisp 4K imagery at 3840 × 2160 pixels, with HDR support to improve contrast and color depth in compatible content. The LED panel provides consistent backlighting across the screen, and the slim bezel design keeps attention on the image. This makes the product practical for conference rooms, waiting areas, and media-centric workspaces.

Smart features and connectivity

The Android TV operating system gives you access to a broad range of apps and streaming services, while Chromecast lets you cast presentations, video, or audio from mobile devices without extra hardware. Built-in Wi-Fi and Ethernet offer reliable network access, and Bluetooth enables wireless speakers or input devices. Three HDMI inputs make it easy to connect multiple sources, and the integrated speakers provide basic audio for everyday use, with the option to add external sound for larger spaces.

Technical Specification Matrix

Header

Manufacturer	Voxicon
--------------	---------

Display

Screen size	65 "
HD type	4K/UHD
Display resolution	3840 × 2160 pixels
Display technology	LED

Screen shape	Flat
Native aspect ratio	16:9
