

Prokord PV-HD-HD141.5B

Data sheet

Core Specs

Cable length	1.5 m
Connector 1	HDMI
Connector 2	HDMI
Product colour	Black
HDMI version	1.4

Summary

- ✓ Supports 3840 x 2160, delivering crisp 4K video
- ✓ HDMI Ethernet channel enables networked AV between devices
- ✓ 10.2Gbit/s bandwidth and 120Hz support reduce lag, smooth motion
- ✓ LSZH TPE jacket gives flexible, low-smoke routing for offices
- ✓ Compatible with DTS-HD Master Audio and Dolby TrueHD for rich audio

Product description

Why choose this HDMI cable?

Prokord HDMI CABLE combines reliable signal transfer with installation-friendly features for home and office AV setups. It supports 4K (3840 x 2160) and 2160p content, 3D and high-quality audio formats, while the LSZH jacket and copper conductors provide a safer, durable connection. The 1.5 m length suits typical device-to-display distances and tidy cable runs.

HDMI CABLE in short:

- 1.5 m male-to-male HDMI cable with straight, gold-plated connectors, suitable for connecting set-top boxes, Blu-ray players, game consoles and monitors.
- Supports up to 3840 x 2160 and 2160p, 3D video and high-resolution audio such as DTS-HD Master Audio and Dolby TrueHD.
- HDMI Ethernet Channel lets compatible devices share a network connection, reducing the need for separate cabling.
- TPE and LSZH jacket with copper conductors gives flexibility for routing and lower smoke emissions in enclosed installations.
- Note: HDMI version 1.4 may limit some very high bandwidth uses, so check device requirements if you need the absolute highest frame rates or future-proof bandwidth.

Product details

Use this cable to connect HDMI-equipped devices to displays with a simple plug-and-play setup. The male-to-male straight connectors match standard HDMI ports and the cable carries audio, video and Ethernet over a single lead. The black jacket and robust connector ends suit everyday use, and each pack contains one cable.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	1.5 m
Connector 1	HDMI
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	HDMI
Connector 2 gender	Male
Connector 2 form factor	Straight

Product colour	Black
Supported video modes	2160p
HDMI version	1.4
Maximum resolution	3840 x 2160 pixels
3D	Yes
Supported graphics resolutions	3840 x 2160
Dolby technologies	Dolby TrueHD, DTS-HD Master Audio
Cable jacket material	Thermoplastic elastomer (TPE), Low smoke zero halogen (LSZH)
HDMI Ethernet channel	Yes
Quantity per pack	1 pc(s)
Data transfer rate	10.2 Gbit/s
Maximum refresh rate	120 Hz
Cable material	Copper
