

Prokord PV-HD-HD142B

Data sheet

Core Specs

Cable length	2 m
Connector 1	HDMI
Connector 2	HDMI
Product colour	Black
HDMI version	1.4

Summary

- ✓ 2m HDMI cable fits meeting rooms, desks and small AV setups
- ✓ Supports 3840 x 2160 and 2160p for crisp presentation visuals
- ✓ Passes Dolby TrueHD and DTS-HD Master Audio for rich sound
- ✓ HDMI Ethernet channel enables device networking without extra cabling
- ✓ TPE and LSZH jacket and gold contacts deliver safe, stable signals

Product description

Why choose this HDMI cable?

Prokord HDMI cable 2m gives reliable high-definition video and multichannel audio for meeting rooms, digital signage, and AV installations. It supports 4K and 3D formats, includes an HDMI Ethernet channel for networked devices, and combines gold-plated connectors with a low-smoke, zero-halogen jacket for secure connections and safer routing in shared spaces.

Prokord HDMI cable 2m in short:

- 2 m male-to-male HDMI cable for connecting media players, laptops, projectors, and TVs.
- HDMI 1.4 with 10.2 Gbit/s bandwidth, supports up to 3840 x 2160 (4K) and 2160p video.
- Built-in HDMI Ethernet channel and support for Dolby TrueHD and DTS-HD Master Audio for networked AV and high-quality sound.
- Gold-plated contacts, copper conductors and a TPE/LSZH jacket for reliable signal transfer and low-smoke installation.
- Check device compatibility if you need 4K at higher frame rates, since supported refresh rates depend on the source and display.

Product details

This Prokord HDMI cable 2m transmits uncompressed digital video and audio with plug-and-play simplicity. The straight HDMI connectors make it easy to fit standard ports, while the gold-plated contacts help resist corrosion and maintain a stable connection. The cable supports 4K and 3D playback, carries Ethernet between compatible devices, and handles high-quality audio formats used in modern AV setups. The LSZH outer jacket reduces smoke and toxic gases in the event of a fire, which makes the cable suitable for public and commercial spaces.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	2 m
Connector 1	HDMI
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	HDMI
Connector 2 gender	Male
Connector 2 form factor	Straight

Product colour	Black
Supported video modes	2160p
Maximum resolution	3840 x 2160 pixels
3D	Yes
HDMI version	1.4
Supported graphics resolutions	3840 x 2160
Dolby technologies	Dolby TrueHD, DTS-HD Master Audio
Connector contacts plating	Gold
Cable jacket material	Thermoplastic elastomer (TPE), Low smoke zero halogen (LSZH)
HDMI Ethernet channel	Yes
Quantity per pack	1 pc(s)
Data transfer rate	10.2 Gbit/s
Maximum refresh rate	120 Hz
Cable material	Copper
