Product description

Voxicon Prime Keyboard PX1 BT - Wireless Keyboard for PC and Mac

Explore your full potential with the Voxicon Prime Keyboard PX1 BT, a stylish wireless keyboard designed to enhance both your creativity and efficiency in your daily work. With Bluetooth connectivity, a rechargeable battery, and a sleek design, this keyboard is perfectly suited to modern working environments. Whether you use a PC or Mac, the Voxicon Prime offers a smooth and comfortable typing experience.

As soon as you press the ergonomically designed key or click the smooth mouse, you'll notice the difference. With a comfortable and responsive design, this keyboard provides an enhanced work experience you won't want to be without.

Key Features of the Voxicon Prime Keyboard PX1 BT:

- Compatible with both PC and Mac - works seamlessly across different operating systems.
- Bluetooth wireless connectivity - connect quickly and easily without the hassle of cables.
- Multi-point technology - connect to up to three devices simultaneously and switch between them at the touch of a button.
- Rechargeable battery - enjoy up to a month of use on a single charge.
- RGB backlighting - type with ease even in low-light conditions or complete darkness.

Sleek and Durable Design

This full-size keyboard includes a number pad and boasts a premium aluminum design. The low-profile, curved keys make typing comfortable and precise, helping to reduce the likelihood of typing errors.

RGB Backlighting

The keyboard features RGB backlighting that not only adds a stylish touch but also makes it easier to type efficiently in dimly lit environments.

Multi-Point Technology

Thanks to advanced multi-point technology, the keyboard can connect to up to three devices at the same time. Switch between them effortlessly with just a single keystroke, making it ideal for multitasking.

Long-Lasting Rechargeable Battery

The Voxicon Prime Keyboard includes a built-in rechargeable battery, which lasts for up to a month between charges. The included USB-C cable ensures easy and fast charging whenever needed.
