

Privacy Filter 15.6 355x214mm 16:9 Hang15.6" 16:9

Data sheet

Summary

- ✓ Framed 16:9 privacy filter for laptop displays, suited to landscape use and everyday mobile work.
- ✓ Limits viewing angle to 60 degrees, helping prevent shoulder surfing in public spaces.
- ✓ Hooks for secure, tool-free installation and quick, easy removal when you need full-screen visibility.
- ✓ Anti-glare coating plus scratch and fingerprint resistant surface, compatible with touchscreen use.
- ✓ Check screen and bezel dimensions before purchase to ensure correct fit for your laptop.

Product description

Why choose this privacy filter?

Cirafon PRIVACY FILTER 12.5 287x180mm 16:9 HANG keeps on-screen information visible only to the person sitting directly in front of the display. It reduces reflections and limits side viewing to protect sensitive data in public or open-plan environments. The framed design with hook mounting makes it easy to attach and remove while providing durable scratch and fingerprint resistance.

PRIVACY FILTER 12.5 287x180mm 16:9 HANG in short:

- Framed 16:9 privacy filter for laptop displays, suited to landscape use and everyday mobile work.
- Limits viewing angle to 60 degrees, helping prevent shoulder surfing in public spaces.
- Hooks for secure, tool-free installation and quick, easy removal when you need full-screen visibility.
- Anti-glare coating plus scratch and fingerprint resistant surface, compatible with touchscreen use.
- Check screen and bezel dimensions before purchase to ensure correct fit for your laptop.

Key features and usage

The PRIVACY FILTER 12.5 287x180mm 16:9 HANG uses a darkening privacy layer to block side views while retaining clear front-facing image quality. Hooks secure the framed filter to the top of the screen for a stable fit, and the design allows fast removal for cleaning or when shared viewing is required. Anti-glare properties reduce reflections, and the treated surface resists fingerprints and scratches, supporting reliable daily use. Compliance with CE and REACH provides reassurance on safety and materials.
