

Large Mouse Pad 45x40 cm – For Office & Ergonomic Use

Data sheet

Summary

- ✓ Large 45 x 40 cm surface provides room for both mouse movement and light keyboard placement, reducing desk clutter.
- ✓ Textile top offers consistent, smooth tracking for everyday office mice and precise pointer control for spreadsheets and design work.
- ✓ Rubber non-slip base keeps the pad firmly in place on most desk surfaces.
- ✓ 2 mm thickness keeps the pad low and comfortable for extended use.
- ✓ Note: not optimized for high-performance gaming sensors, designed for office and ergonomic use.

Product description

Why choose this mouse pad?

Voxicon Large Mouse Pad 45x40 cm – For Office & Ergonomic Use gives you a wide, stable surface that reduces interruptions from frequent repositioning. The low-profile 2 mm design supports a natural wrist position, while the textile surface and rubber base combine precise cursor control with reliable grip. Its monochromatic black finish fits professional workspaces.

Large Mouse Pad 45x40 cm – For Office & Ergonomic Use in short:

- Large 45 x 40 cm surface provides room for both mouse movement and light keyboard placement, reducing desk clutter.
- Textile top offers consistent, smooth tracking for everyday office mice and precise pointer control for spreadsheets and design work.
- Rubber non-slip base keeps the pad firmly in place on most desk surfaces.
- 2 mm thickness keeps the pad low and comfortable for extended use.
- Note: not optimized for high-performance gaming sensors, designed for office and ergonomic use.

Practical use

The Voxicon Large Mouse Pad 45x40 cm – For Office & Ergonomic Use is built for day-to-day productivity. The rubber and textile construction balances comfort and control, letting you work with fewer interruptions from slipping or uneven tracking. Its simple black look blends into professional environments, and the generous size helps you maintain a comfortable, ergonomic posture throughout the day.
