

Toner Cyan 216A 850 Pages - W2411A

Data sheet

Summary

- ✓ Compatible cyan toner designed for HP printers that use the 216A series.
- ✓ Up to 850 pages per cartridge, suitable for routine office and administrative printing.
- ✓ Single-pack supply, one cartridge per box for straightforward inventory management.
- ✓ Cost-effective third-party option that balances output quality and operating cost.
- ✓ Not recommended for specialised industrial printing; performance may vary in non-HP devices.

Product description

Why choose this toner cartridge?

Gilford Toner Cyan 216A 850 Pages - W2411A is a compatible cyan toner cartridge that delivers consistent colour and reliable page yields for HP printers. It lowers running costs while keeping everyday print jobs predictable. The single-pack format simplifies restocking and helps you avoid mid-run interruptions.

Toner Cyan 216A 850 Pages - W2411A in short:

- Compatible cyan toner designed for HP printers that use the 216A series.
- Up to 850 pages per cartridge, suitable for routine office and administrative printing.
- Single-pack supply, one cartridge per box for straightforward inventory management.
- Cost-effective third-party option that balances output quality and operating cost.
- Not recommended for specialised industrial printing; performance may vary in non-HP devices.

Product details

Gilford Toner Cyan 216A 850 Pages - W2411A supplies cyan toner for everyday colour documents and graphics, helping you maintain consistent output across routine print jobs. The cartridge ships with an orange protective transport cover that should be removed before installation. Its single-pack format makes replacement quick and predictable, reducing downtime and simplifying spare-part planning for your IT team.
