

Prokord DPC-SHUC135B

Data sheet

Core Specs

Cable length	5 m
Connector 1	CEE7/7
Connector 2	C13
Product colour	Black

Summary

- ✓ 5m length gives flexible reach for server racks and office equipment
- ✓ CEE7/7 plug ensures a grounded connection to EU power outlets
- ✓ C13 coupler fits standard IT equipment, simplifies cable swaps
- ✓ Straight connectors reduce strain and ease tight cable routing
- ✓ Black finish blends with gear for neat, professional installs

Product description

Why choose this power cable?

Prokord DPC-SHUC135B power cable Black 5 m CEE7/7 C13 coupler provides a dependable connection between European mains sockets and IEC C13 equipment. Its 5 m length gives you more placement flexibility without adapters, and the molded straight connectors help reduce wear from repeated use. It is a practical, cost-effective choice for powering PCs, servers, monitors, and UPS units.

DPC-SHUC135B power cable Black 5 m CEE7/7 C13 coupler in short:

- Connects CEE7/7 mains sockets to IEC C13 devices, suitable for common European power outlets.
- 5 m length allows flexible equipment placement in racks, desks, and AV setups.
- Molded, straight male connectors with strain relief for a secure, durable fit.
- Black jacket blends into server rooms and office environments.
- Check that CEE7/7 plug type matches your local outlet and safety requirements before purchase.

DPC-SHUC135B power cable Black 5 m CEE7/7 C13 coupler

This cable links standard IEC C13-equipped equipment to European wall sockets, making it useful for workstations, network cabinets, and audiovisual installations. The extended length reduces the need for intermediate extensions and helps you position devices where they work best. Molded connectors and a robust outer jacket keep connections reliable in everyday IT environments.
