

# Prokord DPC-SHUC133B

Data sheet

## Core Specs

|                |        |
|----------------|--------|
| Cable length   | 3 m    |
| Connector 1    | CEE7/7 |
| Connector 2    | C13    |
| Product colour | Black  |

## Summary

- ✓ 3m length gives flexible placement for servers, PCs and monitors
- ✓ CEE7/7 to C13 compatibility fits standard European IT equipment
- ✓ Black finish blends into racks and office environments
- ✓ Straight connectors reduce strain and simplify installation
- ✓ Prokord construction offers reliable power for everyday use

# Product description

## Why choose this power cable?

Prokord DPC-SHUC133B power cable Black 3 m CEE7/7 C13 coupler. This 3 meter black mains lead gives flexible reach for servers, PCs, monitors and UPS units. The straight CEE7/7 plug fits European sockets while the IEC C13 coupler connects to standard device inlets. Durable construction and secure terminations help simplify rack and desk installations.

## DPC-SHUC133B power cable Black 3 m CEE7/7 C13 coupler in short:

- 3 m length for flexible equipment placement.
- CEE7/7 male plug for European mains outlets.
- IEC C13 female coupler for computers, monitors, servers and UPS devices.
- Straight connectors for tidy routing in racks and workstations.
- Check outlet type and required reach before ordering.

## DPC-SHUC133B power cable Black 3 m CEE7/7 C13 coupler

This power cable lets you connect IEC C13-equipped devices to European mains without adapters. The black jacket keeps a low visual profile in racks and under desks. You can replace worn leads or add spare cables to spare ports, reducing downtime during maintenance. The straightforward design focuses on compatibility and uncomplicated installation.
