Product description

Why choose this wall charger?

Cirafon Wall Charger 20W USB-C provides fast, reliable charging for phones, tablets, and USB-C accessories. It uses USB Power Delivery 3.0 to deliver up to 20W for quicker top-ups, while its compact white housing with a two-pin European plug saves desk and bag space. It is suitable for office desks, meeting rooms, and travel within countries that use EU-style outlets.

Wall Charger 20W USB-C in short:

- Fast USB-C charging up to 20W with USB Power Delivery 3.0, good for quick top-ups of phones and small tablets.
- Single USB-C port for charging one device at a time, suitable for desks, meeting rooms, and hotel rooms.
- Universal compatibility with USB-powered devices, including earbuds, accessories, and most phones.
- Compact white design with integrated two-pin European plug for easy transport and storage.
- Indoor use only, check outlet type if you need a different plug standard.

Product details

The Wall Charger 20W USB-C offers a single USB-C port with USB Power Delivery 3.0 to charge one device at a time. It supports fast charging up to 20W, which shortens top-up times for phones and small tablets. The compact white design and built-in two-pin European plug make it easy to carry and use in compatible outlets. This indoor charger works with most USB-powered devices marked as compatible.
