Product description

Upgrade your workspace with Prokord's height-adjustable desk

Create a more comfortable and ergonomic workspace with the Prokord height-adjustable desk – the perfect choice for both home offices and professional environments. With the electric height adjustment, you can easily switch between sitting and standing work positions, reducing strain on your back, neck, and shoulders. By moving more throughout your working day, you can increase energy levels, improve concentration, and reduce fatigue.

The white tabletop is made from durable laminate, which is both hard-wearing and easy to clean – the perfect choice for everyday use. User-friendly buttons allow you to adjust the desk's height to your preferred level, and you can even pre-program up to three favorite positions for even smoother use.

Key Features:
