

Sync/charge Cable Am To Cm 0.15m - Black0.15m USB-A USB-C

Data sheet

Summary

- ✓ 15 cm length, ideal for close-proximity connections and neat cable management.
- ✓ USB-A to USB-C wiring, useful for connecting legacy ports to contemporary phones, tablets, or peripherals.
- ✓ USB 2.0 data rate up to 480 Mbit/s, suitable for file transfers and peripheral communication.
- ✓ Charges at 5 V and supports up to 15 W without using the USB Power Delivery protocol, suitable for basic charging needs.
- ✓ Flexible TPE jacket and nickel-plated contacts for wear resistance and corrosion protection.

Product description

Why choose this USB cable?

CFPS-AC-BLACK Cirafon USB cable 0.15 m USB 2.0 USB A USB C offers a compact, dependable link between older USB-A hosts and modern USB-C devices. Its short length reduces desk clutter and keeps connections tidy. The TPE jacket and nickel-plated contacts provide everyday durability, while the cable supports reliable data sync and basic charging for close-range setups.

CFPS-AC-BLACK USB cable 0.15 m USB 2.0 USB A USB C in short:

- 15 cm length, ideal for close-proximity connections and neat cable management.
- USB-A to USB-C wiring, useful for connecting legacy ports to contemporary phones, tablets, or peripherals.
- USB 2.0 data rate up to 480 Mbit/s, suitable for file transfers and peripheral communication.
- Charges at 5 V and supports up to 15 W without using the USB Power Delivery protocol, suitable for basic charging needs.
- Flexible TPE jacket and nickel-plated contacts for wear resistance and corrosion protection.

CFPS-AC-BLACK USB cable 0.15 m USB 2.0 USB A USB C

This cable provides straightforward charging and data syncing between a USB-A host and a USB-C device. The short, straight connectors keep the connection secure and unobtrusive, making it practical for use with power banks, docking stations, car chargers, or tightly spaced workstations. The construction focuses on everyday reliability rather than high-power fast charging or USB-C protocol features, so check compatibility with your device if you need advanced power or protocol support.

Technical Specification Matrix

Header

Manufacturer	Cirafon
--------------	---------

Features

Max data transfer rate	480 Mbit/s
Cable length	0.15 m
USB version	USB 2.0
Connector 1	USB-A
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	USB-C
Connector 2 gender	Male

Connector 2 form factor	Straight
USB Power Delivery	No
USB Power Delivery up to	15 W
Product colour	Black
Cable jacket material	TPE
Connector contacts plating	Nickel plating
Reversible connectors	No

Power

Input voltage	5 V
