

Sync/charge Cable Cm To Cm 0.15m - Black0.15m USB-C USB-C

Data sheet

Summary

- ✓ Very short 0.15 m length, ideal for close-range charging or connecting devices on the same desk.
- ✓ USB 2.0 data transfer up to 480 Mbit/s, suitable for file sync and accessory connections.
- ✓ Charges at up to 5 V / 3 A (15 W) but does not support USB Power Delivery protocol or video output.
- ✓ Reversible USB-C plugs and straight, low-profile connector housings for easy insertion.
- ✓ TPE jacket and compact design for flexible, low-bulk use; consider a longer cable if you need reach.

Product description

Why choose this USB cable?

CFPS-CC-BLACK USB cable 0.15 m USB 2.0 USB C Cirafon is a compact USB-C to USB-C cable that keeps connections tidy and reliable. It provides basic charging and data sync for nearby devices, reduces desk clutter thanks to its very short length, and is built for daily use with a flexible TPE jacket and reversible plugs.

CFPS-CC-BLACK USB cable 0.15 m USB 2.0 USB C in short:

- Very short 0.15 m length, ideal for close-range charging or connecting devices on the same desk.
- USB 2.0 data transfer up to 480 Mbit/s, suitable for file sync and accessory connections.
- Charges at up to 5 V / 3 A (15 W) but does not support USB Power Delivery protocol or video output.
- Reversible USB-C plugs and straight, low-profile connector housings for easy insertion.
- TPE jacket and compact design for flexible, low-bulk use; consider a longer cable if you need reach.

CFPS-CC-BLACK USB cable 0.15 m USB 2.0 USB C

This Cirafon cable is made for short, practical connections where full-length cables add unnecessary clutter. Use it to charge phones, power banks, and other USB-C devices or to sync data to nearby hosts. The cable's reversible USB-C connectors make plugging in quick and reliable. Because it does not support DisplayPort Alternate Mode or the USB Power Delivery protocol, it is not suitable for video output or higher-power PD charging.

Technical Specification Matrix

Header

Manufacturer	Cirafon
--------------	---------

Features

Max data transfer rate	480 Mbit/s
Cable length	0.15 m
USB version	USB 2.0
Connector 1	USB-C
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	USB-C
Connector 2 gender	Male
Connector 2 form factor	Straight
USB Power Delivery	No

USB Power Delivery up to	15 W
Product colour	Black
Cable jacket material	TPE
Reversible connectors	Yes
USB Type-C DisplayPort Alternate Mode	No

Power

Input voltage	5 V
Input current (max)	3 A
