- ✓ Slim folio design reduces the need for a separate wallet.
- ✓ Stitched edges and an embossed Cirafon logo for a neat, finished appearance.

Product description

Why choose this wallet case?

Cirafon Pu Leather Wallet Case Samsung S22 combines protective functionality with everyday convenience. Made from PU leather with a black finish, it shields your Samsung Galaxy S22 from scratches and light impact while providing built-in card and cash storage. The flip design keeps the screen covered when not in use and offers a comfortable grip for daily handling.

Cirafon Pu Leather Wallet Case Samsung S22 in short:

- PU leather exterior with a refined black finish for a professional look and durable wear.
- Flip wallet layout with internal slots for cards and a pocket for cash.
- Precision cutouts and side access keep buttons, camera, and ports usable, compatible with Samsung Galaxy S22.
- Slim folio design reduces the need for a separate wallet.
- Stitched edges and an embossed Cirafon logo for a neat, finished appearance.

Product details

Cirafon Pu Leather Wallet Case Samsung S22 features a fold-over front with internal card slots and a cash pocket so you can carry essentials together with your phone. The phone fits into a secure inner shell that holds it in place while precise cutouts maintain easy access to buttons, the camera and charging port. A soft inner lining helps protect the screen when the cover is closed, and the stitched trim adds durability and a polished look.
