Product description

Why choose this adapter?

Prokord Adapter RJ45-RJ45 F/F 8P CAT6. This compact female-to-female Cat6 coupler lets you join two Ethernet cables quickly, providing a secure, low-profile link for short-distance connections. The unshielded U/UTP design preserves Cat6 performance, while the LSZH jacket lowers smoke and halogen risk in confined spaces.

Product details

This Prokord adapter provides a simple way to bridge two Ethernet cables without reterminating connectors. You can use it behind racks, under desks, or where a short inline connection is needed to tidy cabling or recover an otherwise compatible run. It is designed for Cat6 environments and offers a straightforward, low-cost option for temporary fixes or tight-space routing.
