Product description

Why choose this mobile device charger?

Cirafon DWC15-10 mobile device charger Universal Black Wireless charging Fast charging Indoor provides a compact, multi-device charging station that reduces cable clutter and keeps workspaces organised. It pairs MagSafe compatibility with wireless fast charging and USB Power Delivery up to 15W, so you can quickly top up a phone and other wireless accessories at the same time.

DWC15-10 mobile device charger Universal Black Wireless charging Fast charging Indoor in short:

- Charge a MagSafe-compatible phone and multiple wireless accessories at once, supporting up to four devices simultaneously.
- Fast wireless charging with USB Power Delivery up to 15W for quicker top-ups.
- Designed as a compact desk stand to keep reception areas, meeting rooms, and home offices tidy.
- Black finish and indoor rating suit standard office and home environments.
- Sold as a single unit and covered by a two year warranty; intended for indoor use only.

Product details

The DWC15-10 combines dedicated charging surfaces and a base pad so you can place a phone, earbuds, and other Qi devices together without swapping cables. USB Power Delivery up to 15W helps reduce charge time for compatible devices. The charger measures 154.9 × 99.1 × 139 mm, giving a small footprint that fits most desks and counters. It comes in black, is for indoor use, and includes a two year warranty.
