Product details

Privacy Filter 14" 16:10 for Laptop – Standard Screen Privacy Protector Cirafon provides discreet privacy without adding a visible frame around your display. The filter reduces side visibility while maintaining a clear view head-on, so you can work on sensitive documents in public places. Installation uses adhesive strips plus slide mount tabs to keep the filter steady, and the frameless design preserves the screen edge appearance. The filter’s anti-glare and anti-blue features improve viewing comfort, and the product meets CE and REACH compliance standards.
