Product description

Why choose this backpack case?

Cirafon LSB9016B laptop case 40.6 cm (16") Backpack Graphite gives you a secure and comfortable way to carry a laptop and daily essentials. Durable nylon construction and a padded rear laptop compartment protect your device. Lightweight design and padded straps make it easy to carry during commutes or short business trips.

LSB9016B laptop case 40.6 cm (16") Backpack Graphite in short:

- Durable nylon exterior in graphite for a professional, low-key look.
- Padded rear laptop compartment fits laptops up to 17 inches and keeps the device close to your back for extra security.
- Dedicated tablet pocket plus internal organisation for phone, wallet, chargers and documents.
- Padded back panel, comfortable shoulder straps and a top handle for versatile carrying.
- Lightweight at 545 g and compact 8.6 L volume, suitable for daily commuting.

Practical features

The Cirafon LSB9016B laptop case 40.6 cm (16") Backpack Graphite is built for everyday use. A rear laptop compartment and a tablet pocket protect your devices. Multiple internal pockets and front zip compartments let you organise cables, power banks and papers so you can access what you need quickly. Zipper closures and a sturdy handle add convenience, while the padded straps and back panel reduce strain on longer journeys.
