Product description

Cirafon Barolo Grande Leather - Spacious and elegant computer bag in genuine leather

Timeless design and premium quality

The Cirafon Barolo Grande Leather is the perfect combination of style and function. Made from genuine leather with an elegant black finish, it gives an exclusive feel while protecting your computer from scratches and bumps. The sophisticated design makes it ideal for both business travel and everyday use. The case fits computers with a maximum screen size of 16" and has a laptop compartment measuring 365 x 70 x 260 mm, making it an excellent solution for both small and medium-sized laptops.

Maximum storage and smart organization

With two large main compartments, you'll have plenty of room for your laptop and all your essential accessories. The additional outer compartment makes it easy to quickly access smaller items such as chargers, cables and documents. Inside, there's thoughtful organization to keep your tools in order, so you can work efficiently whether you're in the office or on the move.

Flexible and travel-friendly

Carry the bag however you like - use the sturdy handles for a more classic grip, or choose the detachable shoulder strap for extra comfort and flexibility. The bag is also equipped with a practical strap on the back, allowing you to attach it to most suitcases, perfect for business trips or longer journeys. This allows you to focus on your tasks instead of worrying about the transportation of your bag.

Complement with smart accessories

For an even smoother workday, combine your bag with these handy accessories:

- ? Voxicon Wireless Travel Mouse T30WLB - Wireless and compact mouse, perfect for travel.
- ? Cirafon 65W Multiport USB-C Charger - Charge your laptop and other devices quickly and efficiently.
- ? Cirafon USB-C to Lightning Cable - Perfect for charging your iPhone or iPad on the go.

With the Cirafon Barolo Grande Leather and these accessories, you'll have everything you need to work smoothly and efficiently - no matter where you are.

******This case fits computers with the maximum dimensions as shown below.
