- ✓ USB PD up to 100W for fast device and laptop charging
- ✓ 2m round cable gives flexible reach for desks and workstations
- ✓ USB-C male to male connectors, reversible for easy plug in

# Product description

## Why choose this USB cable?

Prokord TB4-1-20 USB cable 2 m USB C Black. This Thunderbolt 4 USB-C cable delivers high-speed data and up to 100W power delivery, so you can charge laptops and move large files without extra adapters. Its 2 m length gives flexibility for desktop and docking setups while keeping connections simple and reliable.

## TB4-1-20 USB cable 2 m USB C Black in short:

- Thunderbolt 4 performance, up to 40 Gbit/s for fast transfers to external SSDs and backups.
- USB Power Delivery up to 100W, suitable for charging many laptops and powering peripherals.
- USB-C male to male, 2 m round cable, useful for connecting docks, displays, and workstations.
- Black colour and compact connectors that are easy to route on a desk.
- Consideration: full Thunderbolt 4 speeds and PD require compatible ports on both devices.

## Main functions

Prokord TB4-1-20 USB cable 2 m USB C Black links two USB-C or Thunderbolt 4 ports to handle data, video and power over a single cable. You can use it for high-bandwidth tasks like external storage transfers, connecting docks or displays through a compatible host, and charging devices up to 100W. The 2 m length provides reach while keeping your workspace tidy.
