

Prokord PUK-CAT6-8-WH

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Cable length	8 m

Summary

- ✓ Cat6 performance for reliable Gigabit Ethernet in the office
- ✓ Bendable design with low profile RJ45 ends, eases tight routing
- ✓ UTP twisting reduces crosstalk, keeping connections stable
- ✓ 8m length reaches patch panels and workstations without joins
- ✓ White round jacket blends into workspaces for tidy runs

Product description

Why choose this patch cable?

Prokord Ethernet Cat.6 Patch Cable Bendable Rj45 8M Wh is a bendable Cat6 patch cable built for reliable, high-speed connections in confined or crowded installations. Its right-angle RJ-45 connectors and U/UTP construction make routing easier and help reduce interference, so you can maintain tidy cable runs and minimise installation time.

Ethernet Cat.6 Patch Cable Bendable Rj45 8M Wh in short:

- Cat6 performance suitable for gigabit networking between switches, routers, and patch panels.
- 8 m length gives flexible reach for offices, server racks, and wall-mounted equipment.
- Bendable right-angle RJ-45 connectors ease routing in tight spaces and behind furniture.
- White, round U/UTP cable for standard indoor environments and discreet installation.
- Consideration: not intended for outdoor, high-moisture, or applications requiring shielded cable.

Practical use

The Prokord Ethernet Cat.6 Patch Cable Bendable Rj45 8M Wh provides a straightforward, plug-and-play connection with male RJ-45 ends on both sides. Its moulded, right-angle boots reduce strain at the connector and make it easier to fit behind panels or in narrow conduit. Supplied as a single ready-to-use cable, it suits common indoor networking tasks where flexibility and clean cable management are important.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	8 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	White
Connector shielding	No
Cable shape	Round
