Product description

Cirafon Laptop Bag 16" Business Model L – Durable and Padded Nylon

Key Features

- Fits laptops up to 16 inches
- Durable black nylon material
- Two spacious main compartments for laptop and accessories
- Two smaller external pockets for quick access
- Internal organization for chargers, pens, and other essentials
- Detachable and adjustable padded shoulder strap
- Comfortable handles for flexible carrying options

A laptop bag for professionals on the move The Cirafon Laptop Bag 16" Business Model L is built for those who need function, protection, and style in their everyday life. Combining robust nylon with smart internal organization, it's ideal for business travelers, students, and remote workers.

Equipped with two large padded compartments, this bag holds both your laptop (up to 16 inches) and your essential accessories – from chargers to documents. The two smaller outer pockets offer quick access to your phone, keys, or notebook.

The shoulder strap is adjustable, padded, and removable for optimal comfort. Two sturdy handles let you easily switch between carrying it by hand or over the shoulder depending on your preference.

Who is this bag for?

- For commuters and frequent business travelers
- For students who need structured organization
- For remote workers carrying their mobile office
- For style-conscious professionals

Fits laptops with the following maximum dimensions:
