- ✓ Designed for 4.7" screen models and supplied as a single pack.

Product description

Why choose this silicone case?

Cirafon Silicone Case is a slim, soft-touch shell that protects iPhone 7, iPhone 8, iPhone SE (2020), and iPhone SE (2022) from daily bumps and scratches while keeping full access to ports and buttons. The monochromatic black finish provides a discreet, professional look and a comfortable grip for everyday handling.

Silicone Case in short:

- Slim silicone shell that cushions against minor drops and surface damage.
- Soft-touch, monochromatic black surface for improved grip and a low-profile appearance.
- Precision cutouts maintain access to camera, ports, and buttons on iPhone 7, iPhone 8, iPhone SE (2020), and iPhone SE (2022).
- Designed for 4.7" screen models and supplied as a single pack.

Product details

The Cirafon Silicone Case is a flexible shell that slips on easily for a snug fit and simple removal. It shields the listed iPhone models from everyday wear without adding bulk. The tactile exterior helps prevent accidental slips while keeping the device’s original lines visible.
