Product description

Why choose this USB-C cable?

Prokord T3CC-20# USB cable 2 m USB C Black gives you a single cable for laptop charging and high-resolution display output. It supports up to 100W power delivery and video up to 7680 x 4320 at 60Hz, so you can reduce adapters and keep a tidy, flexible workspace.

T3CC-20# USB cable 2 m USB C Black in short:

- Delivers up to 100W power, suitable for charging many laptops and mobile devices.
- Carries video signals up to 7680 x 4320 at 60Hz, useful for high-resolution monitors and media work.
- Thunderbolt 3 compatible, making it suitable for high-speed data and display connections where supported.
- 2 meter round black cable with USB-C male connectors, giving reach and simple routing.
- Check that your devices support video over USB-C or Thunderbolt 3 to use the display capabilities.

Product details

Prokord T3CC-20# USB cable 2 m USB C Black is a plug-and-play USB-C to USB-C cable with male connectors at both ends. Use it to charge devices, connect to docks, or drive external displays without additional adapters when your equipment supports USB-C video or Thunderbolt 3. The 2 meter length and round design provide practical reach for desktop or meeting-room setups, and the pack contains one cable.
