

Cirafon A-LT01B-0.5M

Data sheet

Core Specs

Cable length	0.5 m
Connector 1	USB-A
Connector 2	Lightning
Product colour	Black
USB version	USB 2.0
USB Power Delivery up to	12 W

Summary

- ✓ 0.5m length keeps your desk tidy and reduces cable clutter
- ✓ USB-A to Lightning sync and charge for Apple devices
- ✓ USB 2.0 data at 480Mbit/s for quick file transfers
- ✓ Supports USB Power Delivery up to 12W for faster charging
- ✓ TPE jacket resists wear for reliable daily use

Product description

Why choose this cable?

Cirafon Sync/charge Cable AM To Lightning 0.5M gives you a short, reliable connection for charging and syncing Lightning-equipped devices. The compact length reduces desk clutter and keeps chargers close at hand. A TPE jacket and molded strain relief provide flexibility and help reduce wear at the connector during everyday use.

Sync/charge Cable AM To Lightning 0.5M in short:

- USB-A to Lightning connection for charging and data sync with Lightning-equipped Apple devices
- 0.5 m length, useful for travel, power banks, and close-range charging at a desk or in a car
- USB 2.0 data transfer capability up to 480 Mbit/s for fast file sync
- Supports up to 12W charging at 5V for efficient device charging
- TPE cable jacket and molded straight connectors for flexible handling and reduced connector stress

Product details

This Cirafon cable is designed to let you charge and sync Lightning devices from any standard USB-A port. The short length makes it convenient when you need a tidy setup or are using a portable charger. With USB 2.0 transfer speeds and support for up to 12W charging, it covers everyday syncing and charging tasks. The TPE jacket and molded strain relief improve flexibility and help protect the connection point during regular use.
