- ✓ Syncs data at up to 480Mbit/s via USB 2.0 for reliable transfers
- ✓ TPE jacket with molded strain relief resists daily wear and flex
- ✓ Two year warranty provides dependable support for business use

Product description

Why choose this Lightning cable?

Cirafon C-LT01W-0.5M lightning cable White offers a compact, reliable connection for charging and syncing Lightning-equipped devices. Its short length reduces desk clutter and keeps cables tidy in cars or power banks, while the TPE jacket and straight connectors provide flexible handling and consistent power delivery for everyday use.

C-LT01W-0.5M lightning cable White in short:

- 0.5 m length, ideal for close-range charging at a desk, in a car, or with portable chargers.
- USB-A to Lightning connection for charging and data sync at USB 2.0 speeds, 480 Mbit/s.
- Up to 2.4 A charging and USB Power Delivery support up to 12 W for reliable device charging.
- TPE jacket and straight male connectors for flexibility and ease of use.
- Note: requires a USB-A power source, not directly compatible with USB-C without an adapter.

Product details

The Cirafon C-LT01W-0.5M lightning cable White connects USB-A ports to Lightning-equipped devices for charging and data transfer. Its half-metre length keeps cables manageable in tight setups and reduces tangling. The TPE jacket adds flexibility and durability for frequent handling, while the straight male connectors make insertion simple. The cable carries standard 5 V input and output and includes a two year warranty for peace of mind.
