Product description

Voxicon VX-P80-B – Bluetooth Headset with Teams Support & Charging Station

Experience crystal-clear calls, long battery life, and full flexibility with the Voxicon VX-P80-B – a wireless stereo headset perfect for both home offices and modern workspaces. With an active noise-canceling microphone, dual connectivity (Bluetooth and wired), and intuitive controls, it's designed for smooth, professional communication every day.

Clear Communication with Active Noise Cancellation

The built-in active noise-canceling microphone uses advanced DSP algorithms to actively suppress background noise and enhance your voice – ideal for open-plan offices and home environments. The omnidirectional microphone captures your voice from all angles, and the microphone boom rotates 270° for optimal positioning.

Connect to Two Devices Simultaneously

With support for Bluetooth 5.1 and advanced multifunction control, the VX-P80-B can easily connect to two devices at the same time. Seamlessly switch between, for example, your computer and mobile phone without needing to re-pair. Perfect for those who work flexibly and need to stay connected across multiple devices throughout the day.

Optimized for Teams and Full Control

The Voxicon VX-P80-B works seamlessly with Microsoft Teams, Zoom, and other video conferencing platforms. It features easy-to-use buttons for:

- Volume control
- Microphone mute/unmute
- Answer/end calls
- Play/pause music
- Activate voice assistant

Bluetooth 5.1 with Flexible Connectivity

Equipped with Bluetooth 5.1 (QCC3034 chip), the headset ensures a stable and energy-efficient wireless connection. You can also use the included 3.5 mm AUX cable when the battery is low or if you prefer a wired connection. When the cable is plugged in, Bluetooth is automatically disabled.

Long Battery Life & Fast Charging

Stay connected all day with up to:

- 30 hours of talk time
- 35 hours of music playback
- 250 hours of standby time

A full charge takes about 2 hours using USB-C or the included charging station. To conserve power, the headset automatically powers off after 4 hours of inactivity.

What’s Included in the Box:

- Voxicon VX-P80-B Bluetooth headset
- USB-A to USB-C cable
- 3.5 mm to 3.5 mm AUX cable
- Charging station
- User manual

Voxicon VX-P80-B – the smart choice for professionals who value high-quality sound, long-lasting battery life, and flexible connectivity at work or at home.
