- ✓ Easy to clean and easy to remove without leaving residue.

Product description

Why choose this screen protector?

Cirafon Ultra-Clear (Double Tempered) - iPhone 15 Plus provides thin, durable protection that preserves touch sensitivity and display clarity. It reduces scratches and fingerprints while fitting the iPhone 15 Plus screen. The tempered construction helps guard against everyday impacts and keeps the surface easy to clean for consistent use.

Cirafon Ultra-Clear (Double Tempered) - iPhone 15 Plus in short:

- Tempered glass with 9H hardness for surface protection against scratches and minor impacts.
- Made for iPhone 15 Plus, fits the 6.1" display and follows rounded edges for a neat fit.
- Transparent glass keeps original screen clarity and natural touch response.
- Installation tray and tool included to help you apply the protector more easily and reduce bubbles.
- Easy to clean and easy to remove without leaving residue.

Product details

Cirafon Ultra-Clear (Double Tempered) - iPhone 15 Plus is a clear tempered glass protector that keeps the original feel of the screen while adding a harder, more protective surface. The package includes an installation tray and tool to simplify alignment and reduce air bubbles during fitting. The protector is thin and transparent, resists fingerprints and stains, and follows the phone's rounded edges for comfortable handling and reliable day-to-day use.
