Product description

Why choose this screen protector?

Cirafon Ultra-Wide (Double Tempered) + Tool gives durable, clear protection for the iPhone 15 Pro. Double-tempered glass with 9H hardness resists daily scratches and impacts while preserving touch sensitivity and display clarity. The transparent protector is easy to apply and includes a tool to reduce installation bubbles.

Ultra-Wide (Double Tempered) + Tool in short:

- 9H double-tempered glass shields the iPhone 15 Pro 6.1" display from scratches and impacts.
- Clear, transparent design preserves screen clarity and touch responsiveness for everyday use.
- Includes an installation tool to support easier, bubble-free application.
- Supplied as a single-pack, easy-to-apply accessory for device protection and field repairs.

Cirafon Ultra-Wide (Double Tempered) + Tool

This clear tempered glass protector fits the 6.1 inch iPhone 15 Pro and offers 9H surface hardness to reduce scratches and absorb minor impacts. It maintains touch sensitivity and screen clarity while the included tool and simple application process help achieve a smooth, air-bubble free fit. The product is transparent and supplied as one piece per pack.
