

Ultra-clear (Double Tempered) + TooliPhone 15 Pro Max

Data sheet

Summary

- ✓ Thin tempered glass preserves original touch sensitivity and clarity, ideal for everyday use.
- ✓ 9H surface hardness resists scratches from keys and minor drops, helping reduce repair costs.
- ✓ Installation tray and alignment tool included for bubble-free, accurate fitting.
- ✓ Rounded edges and transparent finish ensure comfortable handling and an unobtrusive look.
- ✓ Easy to clean and remove, making maintenance and replacement straightforward.

Product description

Why choose this screen protector?

Cirafon Ultra-clear (Double Tempered) - iPhone 15 Pro Max + TOOL provides durable, low-profile protection that preserves the original touch feel while reducing fingerprints and smudges. The tempered glass shields the screen from daily impacts and scratches, and the included installation tool and tray make fitting fast and reliable. Easy to apply, clean, and remove, it helps lower repair costs and keeps the display clear for everyday use.

Cirafon Ultra-clear (Double Tempered) - iPhone 15 Pro Max + TOOL in short:

- Thin tempered glass preserves original touch sensitivity and clarity, ideal for everyday use.
- 9H surface hardness resists scratches from keys and minor drops, helping reduce repair costs.
- Installation tray and alignment tool included for bubble-free, accurate fitting.
- Rounded edges and transparent finish ensure comfortable handling and an unobtrusive look.
- Easy to clean and remove, making maintenance and replacement straightforward.

Product details

Cirafon Ultra-clear (Double Tempered) - iPhone 15 Pro Max + TOOL is a clear tempered glass protector made to match the iPhone 15 Pro Max display. It maintains touch responsiveness and screen clarity while providing a hard surface that reduces fingerprints and resists everyday wear. The pack includes an installation tray and tool to help achieve a precise, bubble-free fit, and the protector is simple to clean and remove when needed.
