- ✓ Slim profile that protects against scratches and light impacts without adding bulk
- ✓ Supplied as a single piece for straightforward replacement or spare storage

Product description

Why choose this silicone case?

Cirafon Silicone Case offers a slim, protective shell that improves grip and shields the back and edges from daily wear. It fits the iPhone 15 with a 6.1" screen and keeps buttons and ports accessible while maintaining a low profile for easy handling and pocket storage.

Cirafon Silicone Case in short:

- Soft-touch silicone shell that resists slips and feels comfortable in hand
- Designed to fit iPhone 15 with a 6.1" screen, with precise cutouts for the camera and controls
- Monochromatic black finish for a discreet, professional look
- Slim profile that protects against scratches and light impacts without adding bulk
- Supplied as a single piece for straightforward replacement or spare storage

Product details

The Cirafon Silicone Case is a simple shell case that covers the rear and sides while leaving ports and buttons fully usable. The silicone surface reduces fingerprints and improves grip. A slightly raised camera edge helps protect lenses when the phone is placed on flat surfaces. The case is sold as one unit and matches the dimensions of the iPhone 15 6.1" model for a fitted, secure feel.
