Product description

Voxicon O27UHDP – 27" 4K IPS USB-C Monitor with 65W Charging & USB Hub

Powerful and elegant 27-inch monitor for office and home office users who need high image quality and efficient USB-C connectivity.

The Voxicon O27UHDP IPS USB-C Monitor is a professional display featuring 4K UHD resolution (3840×2160), an IPS panel, and USB-C with 65W charging. With a built-in 2-port USB hub, it becomes the central connection point for your accessories – ideal for modern workspaces.

? Key Features

- IPS panel with wide viewing angles
- 4K UHD resolution (3840 × 2160)
- USB-C with 65W Power Delivery
- USB hub with 2 accessory ports
- Ergonomic height-adjustable stand
- Connections: USB-C, HDMI, DisplayPort

? The Perfect Choice for the Modern Office

USB-C delivers video, audio, data, and charging through a single cable. Ideal for workspaces where simplicity and efficiency are key. The built-in USB hub eliminates the need for separate docking stations – connect your keyboard, mouse or headset directly to the screen.

?? Professional Image Quality

The 27" IPS panel delivers sharp detail, vivid colors, and wide viewing angles – perfect for both creative and analytical work. UHD resolution gives you a top-class workspace.

? Easy Integration

Voxicon O27UHDP supports multiple connections, including USB-C, HDMI, and DisplayPort – ensuring compatibility with both new and older devices. The clean, modern design fits seamlessly into any office or home setup.
