Data sheet

Summary

- ✓ Hard 9H tempered glass shields the Galaxy A34 5G from scratches and impact marks.
- ✓ Thin 0.3mm profile preserves touch responsiveness and display clarity for smooth use.
- ✓ Full-adhesive, bubble-free application for a secure edge-to-edge fit and simple installation.
- ✓ Oleophobic glossy finish resists fingerprints, cleans easily, and rounded edges improve handling.
- ✓ Supplied as a single transparent protector in a hanging box for retail display and storage.

Product description

Why choose this screen protector?

Cirafon CG-ASID-SMA34 mobile phone screen/back protector gives your Samsung Galaxy A34 5G reliable daily protection while keeping the display clear and responsive. The tempered glass resists scratches, dust and dirt, and the full-adhesive design delivers a secure, bubble-free fit. The oleophobic, glossy surface is easy to clean and preserves touch sensitivity for everyday use.

CG-ASID-SMA34 in short:

- Hard 9H tempered glass shields the Galaxy A34 5G from scratches and impact marks.
- Thin 0.3mm profile preserves touch responsiveness and display clarity for smooth use.
- Full-adhesive, bubble-free application for a secure edge-to-edge fit and simple installation.
- Oleophobic glossy finish resists fingerprints, cleans easily, and rounded edges improve handling.
- Supplied as a single transparent protector in a hanging box for retail display and storage.

Product details

The CG-ASID-SMA34 is a clear tempered glass protector designed for the Galaxy A34. Its full-adhesive backing ensures consistent contact with the screen to reduce dust and bubbles during fitting. The oleophobic coating helps keep smudges at bay and makes cleaning quick. Rounded edges and a thin construction maintain comfortable handling and the original feel of the touchscreen.
