

Cirafon CF-CC-TPE-2.0-B

Data sheet

Core Specs

Cable length	2 m
Connector 1	USB-C
Connector 2	USB-C
Product colour	Black
USB version	USB 2.0
USB Power Delivery up to	240 W

Summary

- ✓ 2m length gives flexible reach for charging and device placement
- ✓ 240W USB Power Delivery charges laptops and power-hungry devices
- ✓ 480Mbps USB 2.0 sync moves files fast between phones and PCs
- ✓ TPE jacket and straight connectors resist wear and stay flexible
- ✓ USB-C to USB-C plug and play with modern chargers and peripherals

Product description

Why choose this cable?

Cirafon Sync/charge Cable Cm To Cm 2.0m - Black gives you a simple, reliable way to charge and sync USB-C devices across a desk or workstation. The 2 meter length improves reach and cable management. You get high-power charging up to 240W for laptops and peripherals, and a flexible TPE jacket for everyday durability.

Sync/charge Cable Cm To Cm 2.0m - Black in short:

- Supports USB Power Delivery up to 240W, suitable for charging laptops and high-power devices.
- USB-C to USB-C male connectors, both straight, for direct connections to ports and docking stations.
- 2 m length and TPE jacket provide reach and flexible durability for office or home setups.
- USB 2.0 data speed (480 Mbit/s) is fine for syncing phones, tablets, and peripherals.
- Consider a USB 3.x cable if you need much higher data transfer rates for external drives.

Sync/charge Cable Cm To Cm 2.0m - Black

The Cirafon cable handles two main tasks: delivering power and moving data. It uses USB Power Delivery to supply up to 240W, so it can charge laptops, monitors, and other USB-C devices that require higher wattage. Data transfers follow the USB 2.0 standard at 480 Mbit/s, which covers file sync, backups, and peripheral connections but is not designed for very high-bandwidth storage devices. The straight male USB-C connectors fit most modern ports, and the TPE jacket keeps the cable flexible while resisting daily wear.

Technical Specification Matrix

Header

Manufacturer	Cirafon
--------------	---------

Features

Cable length	2 m
Connector 1	USB-C
Connector 2	USB-C
Connector 1 gender	Male
Connector 2 gender	Male
USB version	USB 2.0
Product colour	Black
Connector 1 form factor	Straight
Connector 2 form factor	Straight

Maximum data transfer rate	480 Mbit/s
Jacket material	TPE

Technical details

USB Power Delivery up to	240 W
Cable jacket material	TPE
