

Cirafon CF-CC-SIL-1.3-W

Data sheet

Core Specs

Cable length	1.3 m
Connector 1	USB-C
Connector 2	USB-C
Product colour	White
USB version	USB 2.0
USB Power Delivery up to	240 W

Summary

- ✓ Charges USB PD devices up to 240W, powers laptops fast
- ✓ 480Mbit/s data sync for reliable file transfers and backups
- ✓ 1.3m length provides flexible reach between desks and hubs
- ✓ TPE jacket resists kinks and stays flexible for daily use
- ✓ Reversible USB-C to USB-C connectors ensure simple plug and play

Product description

Why choose this USB-C cable?

Cirafon CF-CC-SIL-1.3-W is a 1.3 m USB-C to USB-C cable that combines high-power charging with everyday reliability. It supports USB Power Delivery up to 240W for charging laptops and other power-hungry devices. The white TPE jacket keeps the cable flexible and easy to route, while the straight male USB-C connectors make direct connections simple and dependable.

CF-CC-SIL-1.3-W in short:

- USB-C to USB-C connection with straight male connectors for direct device links.
- 1.3 m length, convenient for desk use and mobile setups.
- Delivers up to 240W via USB Power Delivery for high-power charging.
- USB 2.0 data transfer at 480 Mbit/s, suitable for file sync and peripherals, not for high-bandwidth video.
- White TPE jacket provides flexibility and a clean, professional appearance.

CF-CC-SIL-1.3-W details

The CF-CC-SIL-1.3-W handles both charging and basic data transfer in one cable. You can charge laptops and fast-charging devices using USB Power Delivery up to 240W, and sync files or connect USB-C accessories at USB 2.0 speeds. The TPE jacket offers pliability for regular handling and routing, and the compact straight connectors fit most USB-C ports without adapters. Consider the USB 2.0 data rate when you need high-bandwidth data or video over a single cable.
