- ✓ 2m length provides flexible reach for desks and charging stations
- ✓ USB-C to USB-C design enables 480Mbit/s data transfers
- ✓ Durable TPE jacket resists kinks, stays soft for daily use
- ✓ Supports USB Power Delivery up to 240W for high power charging

Product description

Why choose this USB-C cable?

Sync/charge Silicone Cable Cm To Cm 2.0m - White Cirafon gives you a flexible, 2 metre USB-C connection for everyday charging and syncing. The TPE jacket feels like silicone and reduces tangling. With USB Power Delivery up to 240W and 48V input, it can handle high-power charging for laptops while keeping a clean, white appearance on your desk.

Sync/charge Silicone Cable Cm To Cm 2.0m - White in short:

- 2 m length for convenient device placement across desks and workspaces.
- USB-C to USB-C with straight male connectors, reversible for easy plug-in.
- TPE silicone-style jacket for flexibility, reduced wear, and a neat look.
- Supports USB Power Delivery up to 240W and 48V input, suitable for charging laptops and power-hungry devices.
- USB 2.0 data at 480 Mbit/s, good for file syncing and media transfers; not intended for high-speed USB 3.x workloads.

Sync/charge Silicone Cable Cm To Cm 2.0m - White

This cable lets you charge and sync USB-C devices with a simple, reliable connection. Use it to power laptops, tablets, phones, and other USB-C peripherals that accept high-power input. The TPE jacket balances softness and durability so the cable remains flexible and untangled in daily use. The white finish fits clean office and home setups, and the straight, reversible connectors make connections fast and predictable.
