Product description

Efficient and removable labels for flexible logistics

Simplify your labeling and organization with Gilford Labels DT REMOV 76 x 50.8 mm. These direct thermal labels with removable adhesive are an excellent choice for businesses that need clear, reliable labels that can be removed easily. With a generous pack of 18 rolls, and 625 labels per roll, they are perfect for warehousing, logistics, retail and internal organization.

Removable labels for maximum flexibility

The removable labels adhere securely, but can be removed easily without leaving adhesive residue. This makes them ideal for temporary labeling, returns handling, quality checks or for use on products where the surface must not be damaged.

Direct thermal technology, no ribbon needed

Gilford Labels DT REMOV uses direct thermal technology, producing clear and sharp prints without the need for ribbons, toner or ink. The result is a cost-effective and reliable printing solution for daily use.

Compatible with desktop printers

With a 25 mm core, these labels work excellently in most desktop label printers, including the Zebra GK series. This ensures a smooth printing process without interruptions.

Reliable labels for professional use

The self-adhesive, yet removable labels are designed to stay firmly where you place them, while still being easy to remove when needed. Perfect for varied work environments and daily logistics routines.

Practical and economical bulk pack

With 18 rolls per pack, you get a long-lasting and cost-effective label solution. The bulk pack reduces the need for frequent orders and facilitates efficient inventory management.

Choose Gilford Labels DT REMOV 76 x 50.8 mm 18-pack for a flexible, cost-effective and professional solution for your labeling needs.
