

Prokord DPC-C5-2BLSZH

Data sheet

Core Specs

Cable length	2 m
Connector 1	CEE7/7
Connector 2	C5
Product colour	Black

Summary

- ✓ LSZH
- ✓ PVC Free

Product description

Why choose this power cable?

Prokord DPC-C5-2BLSZH power cable Black 2 m CEE7/7 IEC C5 provides a reliable 2 meter connection between a European CEE7/7 mains outlet and devices with an IEC C5 inlet. The low smoke zero halogen jacket improves safety in confined spaces, while IEC and environmental certifications support compliance with workplace and regulatory requirements.

DPC-C5-2BLSZH power cable Black 2 m CEE7/7 IEC C5 in short:

- 2 meter black power cable that connects a European CEE7/7 mains plug to devices with an IEC C5 (cloverleaf) inlet, useful for laptops, power adapters, and small IT equipment.
- Low smoke zero halogen jacket reduces toxic and corrosive emissions in case of fire, suitable for offices, data centers, and public areas.
- Certified to IEC 60332-1, IEC 60754-1, and IEC 61034-2 for fire and smoke performance.
- Compliant with REACH, RoHS, CE, ErP Lot 6/26, EPEAT Gold, ENERGY STAR 9.0, and TCO 10.0 to support sustainability and procurement standards.
- Note: both connectors are male; verify your device accepts an IEC C5 inlet before purchase.

Main features and use

The Prokord DPC-C5-2BLSZH power cable Black 2 m CEE7/7 IEC C5 links standard European mains to compatible device inlets, giving extra reach for flexible workstation and meeting-room setups. Its LSZH jacket and relevant IEC certifications make it a practical choice where reduced smoke and halogen emissions are required, and the sustainability certifications help meet environmental procurement criteria.
