Product description

Why choose this screen protector?

Cirafon CG-ASID-SMA35 mobile phone screen/back protector Clear screen protector Samsung 1 pc(s) provides reliable tempered glass protection for Galaxy A35 5G and A55 5G while keeping the display clear and responsive. It reduces scratches and fingerprints, fits easily without bubbles thanks to full adhesive, and preserves touch sensitivity for daily use.

CG-ASID-SMA35 in short:

- Made from tempered glass with 9H hardness for scratch resistance and everyday durability.
- 0.3 mm thin design keeps touch responsiveness and works with most cases.
- Oleophobic, glossy surface that resists fingerprints and is easy to clean.
- Full-adhesive, bubble-free application for quick installation and simple removal.
- Rounded edges and transparent finish maintain screen comfort and original display clarity.

CG-ASID-SMA35 details

This clear screen protector protects the front display from scratches, dust, and dirt while maintaining screen visibility. The tempered glass construction helps absorb impacts and the oleophobic coating reduces smudges for easier cleaning. Full adhesive coverage and a bubble-free film make installation straightforward, and the slim profile with rounded edges preserves a natural touch experience. The pack contains one protector in a hanging box for retail or storage.
