Product description

Why choose this screen protector?

Cirafon Asahi Silicate (double Tempered) Ultra-Wide Samsung Galaxy S24 offers reliable display protection while keeping your screen clear and responsive. It reduces fingerprints and smudges, resists scratches and dust, and fits edge-to-edge for a secure, comfortable feel. The slim design preserves touch sensitivity and keeps the original display appearance.

Cirafon Asahi Silicate (double Tempered) Ultra-Wide Samsung Galaxy S24 in short:

- High 9H hardness for everyday scratch resistance and impact protection.
- Oleophobic, glossy surface reduces fingerprints and is easy to clean.
- Full-adhesive, bubble-free application for consistent edge-to-edge coverage.
- Thin tempered glass preserves touch sensitivity and display clarity.
- Rounded edges and transparent finish for a seamless, comfortable fit.

Product details

The Cirafon Asahi Silicate (double Tempered) Ultra-Wide Samsung Galaxy S24 is a clear tempered-glass protector made for the Samsung Galaxy S24. It uses full-surface adhesive to stay firmly in place and apply cleanly without bubbles. The glossy, oleophobic surface keeps the screen looking sharp and reduces smudges, while the 0.3 mm glass and rounded edges maintain natural touch response and user comfort. The protector is easy to apply, clean, and remove when needed.
